

An aerial, top-down view of a lush green soccer field. The field is marked with white lines, including a central horizontal line and two large semi-circular arcs at the top and bottom. Approximately 15 players in various colored jerseys (black, white, green, blue, yellow) are scattered across the field, some in motion. A white soccer ball is visible near the center line. The word "двор" is written in large, bold, white Cyrillic letters across the middle of the field, centered on the horizontal line.
